

## WHITE RUM

Rum  
48%

### Description:

An ingenious white rum to raise your cocktails - like Mojito - to new heights.

For the fermentation of this white rum made from sugar cane molasses, we have used our special yeast from the Caribbean to metabolize the molasses to alcohol. This gives the white rum wonderful fruity notes of pineapple and mango and a dense mouthfeel.

During maturation, it is stored in stainless steel tanks for several months to a year. Only when it meets our high quality standards for taste and harmony is it bottled at 48%vol.

### Nose:

Strong rum esters, honey, mango, passion fruit, pineapple, caramel, floral notes

### Palate:

Fruity, pineapple, banana, caramel, cocoa, honey, subtle smoky aromas, full flavor, mild warming finish

### Perfect Serve:

ideal for cocktails. It reinvents for example the Mojito
